

Join our tailored management training course for care providers

NORTH LONDON PARTNERS
in health and care

North Central London's sustainability
and transformation partnership

The course is co-designed with care providers to include the skills & knowledge that **you say are needed by managers in the sector**

- Starts in October 2019
- Prepares staff for the Registered Manager role
- Allows you to 'grow' staff with management potential
- Flexible self paced learning, allowing staff to work around shift patterns
- Is fully funded for the first 20 providers (which are not apprenticeship levy payers)
- Supports managers to get the recognised qualification: Level 5 Diploma in Leadership in Health & Social Care
- Is eligible for £1,500 workforce development funding once staff have successfully completed the course

You can apply via Skills for Care, subject to future availability and funding conditions)
